Cobra 360° Rotatable Square is a flexible downlight with a modern square design and it is available in single version and a double version, both with the very low height of 45 mms. The 360° rotatable fixed light head gives the possibility to tilt the light beam up to 25 degrees in all directions. The downlight is easy to install with no need for the use of screw drivers. Cobra 360° Square is available with a variety of dimming options.
