Lighting Solutions

Boreas

Boreas is a luminaire designed for illuminating parking lots, playgrounds and parks. The luminaire provides an asymmetrical light that ensures uniform illumination of large areas, it has an IP65 classification and is therefore extremely suitable for use in tough conditions both outdoors and indoors. Boreas is made in die-cast aluminum and can be mounted on vertical

SPECIFICATIONS	
Lightsource Type:	LED (built in)
System Power [W]:	162W
CCT (Color Temperature):	4000K
CRI / Ra:	70
Lumen LED (tc=25):	25600lm
Beam Angle:	90°
Lens (Diffuser):	Clear
Dimming:	None
System Voltage [V]:	230V 50Hz
Connection:	Terminal
Mounting:	Wall, Ceiling
Lifetime [h]:	L90B10: 100 000h
Color:	Dark Grey
