Izar

Lighting Solutions

## Izar

Izar is our uncompromising surface-mounted classic LED luminaire that beautifully combines up and downwards light distribution. The excellent aluminium craftsmanship gives the installation an appearance with rich texture and a slight hint of luxury. Also the mounting patent will be noticed for smart savings in installation time. The special PC anti-glare cover secures the installation a pleasant UGR18. Casambi bluetooth control can be installed. Wire or pendant pole mounting kit can be ordered separately.

## VERSIONS

Art.No	Effect [W]	Cold Lumen [lm]	Lumen Output [lm]	CCT [K]	Beam Angle [°]	Lens Difuser	CRI [>]	Color	Light Control	Connection
