

PRODUCT FAMILY SHEET

Sargas Rotatable

Sargas Rotatable

Sargas is an indoor downlight that can be tilted 53° and rotated 350° so you can point the light where you need it. This makes the downlight suitable for pitched roof, but also for flat ceilings to light up a wall, paintings or details you want to highlight. Comes with phase-cut driver with QuickConnect for easy installation. Cut-out Ø93mm.
