Lighting Solutions

Cosma

Cosma is an excellent ceiling light, specifically designed to meet the needs of hotels, offices, corridors, and many other applications. Equipped with both a CCT switch and a power switch, you can easily adjust the color temperature and brightness to your needs. For even greater flexibility, Cosma is also available in a variant with NWC, providing you with more options to tailor the lighting to specific requirements. Cosma combines functionality, design, and sustainability in a way that makes it the perfect lighting solution for a wide range of applications.
