

Bladeline

013977-2-01-1

Bladeline is a highly flexible LED luminaire due to the fact that it may be installed surface mounted on the ceiling or on electrical tracks. The Bladeline is built with a 2 step power regulator (36W/ 77W) the level is set by the installer. This option makes it very suitable in various installations. The Bladeline can be opened without using tools and it has the electric connectors on quick fit clamps inside the luminaire. The Bladeline is made from steel and can be supplied with louvre aluminum front cover that reduces glare to a minimum level. Batteries for emergency: 1 year warranty
