

## FDV SPEC SHEET

Ledpro MASTER 350lm 5,5W GU10 Dim2Warm 922-930 36°

Art. no: 101751

# Ledpro MASTER 350lm 5,5W GU10 Dim2Warm 922-930

Art. no: 101751

### LIGHT TECHNICAL

|                          |                |
|--------------------------|----------------|
| Lumen Output:            | 350            |
| Socket / Cap-Base:       | GU10           |
| Beam Angle:              | 36°            |
| CCT (Color Temperature): | 3000-1800K D2W |
| CRI / Ra:                | 90             |
| Color Code:              | 930-918        |
| Lens (Diffuser):         | Clear          |

### PRODUCT

|              |    |
|--------------|----|
| Length [mm]: | 52 |
| Height [mm]: | 50 |

### ELECTRICAL DATA

|                    |      |
|--------------------|------|
| System Power [W]:  | 5,5  |
| Socket / Cap-Base: | GU10 |
