Lighting Solutions

Galactic C

Galactic C is our new series of circular ceiling lights. A modern design with microprismatic glare control that provides a comfortable light and creates a pleasant atmosphere in the room. Galactic can be installed partially recessed, surface-mounted, or hung from wire or rod. In the Tunable White versions, you can choose between downward light or up/down light in 2 sizes; Ø400mm and Ø600mm. Adjust the light to your preference all the way from 2700K to 6500K. The variants are available in white and black with DALI2 control
