### SPECIFICATIONS

|                          |                  |
|--------------------------|------------------|
| Lightsource Type:        | LED (built in)   |
| System Power [W]:        | 10W              |
| CCT (Color Temperature): | 3000K            |
| CRI / Ra:                | 80               |
| Lumen Output:            | 865lm            |
| Lumen LED (tc=25):       | 890lm            |
| Lens (Diffuser):         | Clear            |
| Dimming:                 | None             |
| System Voltage [V]:      | 230V 50Hz        |
| Connection:              | QuickConnect     |
| Mounting:                | Bollard          |
| Lifetime [h]:            | L80B10: 100 000h |
| Lumen/W:                 | 86lm/W           |
| Color:                   | Grey             |
| Height [mm]:             | 500mm            |
| Width [mm]:              | 165mm            |
| Weight [kg]:             | 5,5kg            |
