# Leila R

Leila R Downlight is a recessed LED downlight developed specifically for retail and commercial projects, with a focus on high performance and visual comfort. It delivers powerful light with excellent color rendering. Leila R is designed to replace older downlights, making it perfect for renovation projects and replacing compact fluorescent fixtures. The cut-out size matches legacy downlights, making installation quick and easy. With Leila R, you get modern, energy-efficient LED technology in a simple and efficient way. Delivered without driver see accessories for recommended driver.
