Tania Slim Bed

# Tania Slim Bed

Tania Slim Bed is an elegant and functional lamp, perfect for mounting above the bedside table in the bedroom, whether at home, in a cabin, or a hotel room. The adjustable lamp head allows you to rotate the light to suit your needs. The lamp is classified as IP20 and protection class 1 for safe use. Available in three stylish finishes – black, brushed brass, and brushed titanium – Tania Slim Bed fits seamlessly into any interior.
