Cylinder 45

# Cylinder 45

Cylinder 45 is an elegant and modern spotlight, specifically designed to deliver high light output and excellent color rendering in various environments. With its modest diameter of 45mm and length of 110mm, this spotlight is both discreet and efficient. Featuring a built-in driver within the sleek aluminum housing, the spotlight can tilt up to 90° and rotate 350° around its axis, providing maximum adjustability. Delivered with a 36° beam angle, phase-cut dimming, and selectable color temperatures of 2700K, 3000K, or Dim 2 Warm (3000-1800K) to accommodate various lighting needs. Cylinder 45 is ideal for use in bedrooms, cafes, cabins, hotels, kitchens, and homes. It can be easily mounted on a 1-circuit track, making it a versatile solution for both private and commercial environments.
