## Eclisse Red

Eclisse, designed by Vico Magistretti in 1965, won the Compasso d'Oro Award in 1967 and became ambassador of Italian design worldwide. Eclisse is an avant-garde balance between form and function, design and utility. The concept's foundation lies in its functionality of adjusting the intensity of light through its rotating inner shade that "eclipses" the light source. In fact, with a fixed outer shell and a moveable inner shell the lamp can provide direct or diffuse light. A table lamp, it can also be wall mounted. Painted metal body available in white, red or orange with an on/off switch. Eclisse in part of the permanent collection of the most important design Museums, amongst many the MoMa in New York and the Triennale Design Museum in Milan.

ELECTRICAL DATA	
Protection Class (system)	2
Dimming (system)	Light bulb dependent
Voltage (system) [V]	230V 50Hz

TECHNICAL DATA	
IP (system)	IP20
Outdoor	No

**PRODUCT DATA SHEET**

Eclisse Red

Art.no: 0028030A

*Lighting Solutions*

PHOTOMETRIC DATA	
Lightsource Type	Lightsource not included
Socket / Cap-Base	E14

DIMENSIONS	
Width (product) (mm)	120.0
Height (product) (mm)	180.0

MATERIALS AND SURFACES	
Color	Red

INSTALLATION AND CONNECTION	
Areas of use	Bedroom, Cottage, Hotel, Office, Residence
Mounting	Table
Connection (system)	Terminal

ENERGY AND CERTIFICATIONS	
CE mark	Yes
