CBU Plug & Play Dimmer 150W for the socket WH

230V 50Hz IP20

With the AIMOTION Plug & Play Dimmer you make your pluggable lights smart in connection with the Casambi app. The Dimmer is Casambi ready and therefore compatible with all AIMOTION systems and Casambi products. The devices communicate with each other in a mesh network. Here the Bluetooth range is extended without the use of gateways, routers, repeaters or extra wiring. The products of the PLUG & PLAY series by AIMOTION are available in black and white.
