NSW K Pro Dual AIColor+People Counting 35W 36° 3-Cir BK

**FUNCTIONALITY DESCRIPTION**

NSW K Pro Dual AIColor+People Counting 35W 36° 3-Cir BK is an intelligent spotlight primarily designed to deliver efficient and customizable lighting for retail environments. It offers a brightness of 2500 lumens and a 36° beam angle, making it ideal for highlighting products in store settings. Additional features include a smooth dimming function controllable via AIOT or app (Bluetooth connected), as well as data-driven insights for store analytics, including heat maps and people counting. It is easy to install on ceilings or tracks and provides a unique combination of lighting and analytics to enhance the customer experience.
