## NSW K Pro Dual AIColor+People Counting 35W 36° 3-Cir WH

### FUNCTIONALITY DESCRIPTION

NSW K Pro Dual AIColor+People Counting 35W 36° 3-Cir WH is an intelligent spotlight that integrates lighting with advanced data collection. Its main function is to provide high-quality illumination with a power of 34W and a lumen output of 250 lm, combined with high color rendering (CRI ≥ 90) for precise light quality.

In addition to its primary function, the product offers dimming options via AIOT or app, giving users flexibility to adjust brightness. The lamp can be installed in ceilings or on tracks and has a beam angle of 36°.

Additional features include people counting and data-driven analytics that provide retailers with insights into customer behavior, helping to optimize the in-store experience. It also has a robust design, with an operating temperature range from -10°C to 30°C, making it suitable for various environments.

### MAINTENANCE

No maintenance requirements

SPECIFICATIONS	
Maintenance	No maintenance requirements
Operating temperature (°C)	30
Forward Voltage LED (max tp=25) (V)	36.0
