## Tolomeo Micro Wall Black Body Lamp

Tolomeo is a lamp series from Artemide designed by Michele De Lucchi and Giancarlo Fassina in 1987. Tolomeo Micro Wall Lamp was designed in 2006. The lamp has an arm and a mount made of polished aluminum, and a shade in matt anodised aluminum. Tolomeo Micro can be placed either at the desk or over the bed, as it is small and flexible. It is simple and flexible, which means you can direct the light where you want and easily fold or direct the lamp elsewhere when not in use. Tolomeo Micro comes with E14 socket. (Light source not included, sold separately)
