## Ardle Ripple Shade Factory Pendant 30cm Yellow 1m cable

With a playful twist on industrial style, the Ardle modern factory pendant brings a bold splash of colour and character to any space.

Crafted from metal with a vibrant powder-coated finish, the Ardle pendant features a wide, rippled shade that resembles a spinning skirt or flower petal. The undulating edges soften its industrial roots, while the exposed bulb adds a nostalgic nod to vintage lighting. Available in a range of vivid colours, it offers both charm and durability.

Perfect as a single feature or hung in a colourful row, the Ardle pendant suits kitchens, dining areas, or quirky commercial interiors alike.
