T-Line

Lighting Solutions

T-Line

T-Line is our new luminaire for mounting directly into 3-phase track. By using DIP-switch on the wattage setting, you can adjust power to optimize your wattage setting. Choose between 35/40/45W. Preset is set at 50W. T-line comes in 3000K or 4000K with 90°, 120° or double asymmetric beam.
