

NWC Long-Range RTC USB Dongle

IP20

NWC Long-Range RTC USB Dongle is designed for reliable control of lighting systems, especially in outdoor applications. With its integrated real-time clock (RTC), it ensures accurate timing even during power outages, making it ideal for time-sensitive tasks and maintaining system efficiency.

The product offers flexible power options and has a range of up to 500 meters when used with the optional TX5 antenna. Additionally, it features internal battery backup to guarantee uninterrupted timing control. USB power supply is not included.

TECHNICAL DATA	
IP (system)	IP20
Operating temperature (°C)	-30 - 65

CONTROL SYSTEM
