Lighting Solutions

Rod Midi C

Rod Midi C is a powerful and flexible spotlight developed for modern retail, showroom, and project lighting applications. Featuring a sleek cylindrical design and high light output, the luminaire combines aesthetics and performance, making it suitable for both accent and general lighting. Delivering up to 4100 lumens with excellent colour rendering (CRI90), Rod Midi C ensures natural presentation of products, materials, and interior details. Available with multiple beam angles and colour temperatures, the spotlight can easily be adapted to different environments and lighting requirements. It is offered in white, black, or grey finishes and is designed for easy installation in 3-circuit track systems. Selected versions are also available with DALI control for advanced lighting management solutions. Rod Midi C is an ideal choice for retail stores, exhibition areas, galleries, hotels, and restaurants where high lighting quality, flexibility, and an exclusive appearance are essential.
