

Yed G2 Up&down 460lm 120° 830 2x3W IP65 BK

PRODUCT DESCRIPTION

Yed G2 Up&Down is a stylish and durable outdoor wall luminaire that creates an attractive lighting effect both upwards and downwards on the façade. Finished in black, it combines modern design with energy-efficient LED technology. With an IP65 rating, it is ideal for entrances, façades, patios, and other outdoor areas where both functionality and aesthetics are important.

FUNCTIONALITY DESCRIPTION

The luminaire features two integrated 3W LED light sources, delivering a total output of 460 lumens with a warm white colour temperature of 3000K. The wide 120° beam angles provide even upward and downward light distribution along the wall, creating a pleasant and decorative lighting effect. Its robust construction and IP65 protection ensure reliable performance in demanding outdoor environments.
