Sargas Rotatable

CE 230V 50Hz IP20 IK02

Sargas is an indoor downlight that can be tilted 53° and rotated 350° so you can point the light where you need it. This makes the downlight suitable for pitched roof, but also før flat ceilings to light up a wall, paintings or details you want to highlight. Comes with phase-cut driver with QuickConnect for easy installation. Cut-out Ø93mm.

VARIANTS
